There are 32,500 people shielding in Cambridgeshire & Peterborough, all those shielding should have received a letter by now from the Government.

The County Hub is up and running as are the various community volunteer COVID groups.

Cllr Criswell was pleased to see the excellent community letter from Katie Ixer, TimeBank Co-ordinator again, so many thanks to her.

The infection rate in Huntingdonshire is slightly below national figures but Somersham and neighbouring villages are slightly higher. This is likely to be community transition locally rather than any other factor.

Cllr Wooster said a simple supplement of Vitamin D aids battling off COVID-19, Cllr Criswell agreed.

The Chairman asked for a letter of thanks to go to Katie Ixer from the council for her work. This was agreed.

Wheatsheaf Crossroads - Progress is going well with the Wheatsheaf design and they are trying to accelerate the process.

Flooding – There was a lot of flooding issues just before Christmas and a list is being drawn up of the main affected areas.

The Environment Agency reported the highest water table level since 1998.

People are aware a lot of ditches need cleaning out and there are a lot of riparian owners who are responsible to sort this out. Focus for first part of work is where homes were flooded.
